## CONFERENCE & MEETINGS

Week in and week out thousands of people come to Welford Road to create a top-class atmosphere, interact with the professionals, provide support from the sidelines and feel part of a winning team. That's a combination you can also enjoy at your event at the home of the Tigers.

With 40 suites and almost 4,000 square metres of space, Welford Road offers a wide choice of meeting rooms. Whether you are organising a meeting of minds for 10 people, a training day designed to inspire your team or preparing a business seminar for up to 1,000 delegates, Welford Road stadium is a superb venue for your next event.

Put all the power, strength and energy of a winning team behind your event at a Premiership venue.

## TEAM BUILDING

Winning teams work hard to succeed; no one knows this better than the Leicester Tigers.

It is a maxim you can put to the test at Welford Road, using the people and the facilities that support a winning team.

Find out what it takes to reach the very top level in your own profession in the words of a Rugby World Cup winner or set up a group activity on the pitch where champions are made.

### TACKLE THE CHANGES

Teamwork is central to developing and maintaining a solid workforce – embark on a team building challenge to help you understand the strengths of the people you work with on a day-to-day basis and gain the best out of your colleagues.

### GET MOTIVATED

Let a world-class rugby professional join your session and inspire and motivate your team with a series of personal insights into “The winning ways”.

### HIT TARGETS

Productivity and developing your business are central goals in the current economic climate – break up your classroom session with our speed pass challenge or a perhaps a kicking competition at goal.

## PRODUCT LAUNCHES & EXHIBITIONS

Displaying your new kit is exciting, but you need the right space and atmosphere to let people know how serious you are about your products.

That's why event organisers choose the Final Whistle Suite on the ground floor of the GNC Stand at Welford Road to host their events.

With 900 square metres of versatile floor space available, we offer flexible options for exhibitions but also the advantage of direct vehicular access to enable you to showcase larger-scale products.

Use in conjunction with the Premiership Suite and you have a self-contained area of some 2,100 square metres to showcase your products and skills.

Food and beverage outlets, complimentary car-parking and a central location all provide a winning formula for you, your exhibitors and guests.

Leicester Tigers is the home of world-class rugby, the Rugby Venue of the Year and an award-winning destination for exhibitions, conferences and events.

## GALA DINNERS

On and off the pitch Leicester Tigers is the home for celebrations, and a place where your guests will feel like Champions.

Whether you are looking for a venue to host a thank you cocktail party, or a large gala dinner for up to 1,000 guests, at Leicester Tigers we have a wide choice of suites to suit your requirements.

Our Head chef has put together some fabulous dining options but will happily work with your team to design a bespoke menu for your special occasion.

When you choose Leicester Tigers you will have the support of a dedicated team who will guide you through every stage to make sure your day is a winner.

“Leicester Tigers is an excellent venue. The surroundings and history sets a total different atmosphere for delegates than in a traditional hotel. The stadium is the home of world class rugby and also the home of world class conferencing facilities. I am delighted to recommend this venue.”
