# DELIA SMITH

---

Delia is at the heart of every aspect of catering at Carrow Road.

Everything is freshly prepared in house to Delia's exacting standards, to ensure that dining at Carrow Road is truly memorable and a very important part of the overall special and very unique event experience. And naturally, as we are situated in an agricultural area we take great pride in using the finest local ingredients and local seasonal produce where possible to support our local suppliers.

Whether you're visiting us for business or pleasure, we have three things that will make your visit to Norwich City Football Club unique and special - a warm welcome, good food and a modern elegant setting.

We know the goal of every event is different, but At Carrow Road one thing is always the same: a dedicated team member who understands your requirements and objectives from the initial enquiry. Whether you are looking for a small dinner for 10, a birthday party for 100, conferences for 350, a celebration dinner for 400 or exhibition space for over 1000, this partnership approach sets us apart from other venues.

We have a range of menu options and styles suitable for any occasion. From conference lunches to large drinks receptions and gala dinners, browse the menus and talk to a member of our experienced team with regards to your own personal requirements.

**"It's over twenty years now since we first launched Delia's Canary Catering and we are extremely proud of the high standards that we have been able to achieve. Our aim is to serve you in the very best way we can and make sure that your event is both enjoyable and memorable."**

Carrow Road is incredibly unique as it benefits from an on-site 150 bedroom hotel, located between the South Stand and Barclay Stand, with some rooms benefiting from a view of the pitch.

This means we have clients travel from far and wide to enjoy their conference or event at the stadium, then retreat to their room at the hotel.

## JARROLD 250<sup>TH</sup> CELEBRATION

---

“On behalf of the Chairman, CEO, Directors and colleagues at Jarrold & Sons LTD, we would like to say a huge thank you yet again for a wonderful evening. Thank you, Helen for your patience and attention to detail making my side of the task a lot easier.

Thank you for co-ordinating the delivery of the wine and goods that we needed for the event and for arranging a time for us to visit the Gunn Club on the Friday to set up our good bags etc. Please pass on our thanks to the Saturday Managers, especially Steven Wild, and their fantastic team for making the evening go so smoothly.

Our thanks of course to the chefs and kitchen staff for the delicious menu and efficient delivery of getting the meals hot to the table. For dealing with the variety of dietary requirements from our colleagues. From the feedback we have received from colleagues, they said the food was outstanding and enjoyed the change from the usual Christmas menu and going forward we think future events will be New Year themed (not a mention of Christmas!). Many thanks too to the security team who were ensuring everyone's safety.

Once again, thank you so much for the great service that we receive from you and your colleagues and personally from myself, for being able to walk into your venue on the night of the event and hand over to the very capable Duty Managers, a wonderful feeling. Look forward to working with you again later in the year.”
