PLEASE NOTE

The MKM Stadium is a totally non-smoking Stadium. Being a sporting venue means that at various times throughout the year renovation/replacement work will be carried out on the venue and pitch, especially in closed season (May-August). All couples will be informed of any work prior to their event. So with the best wishes once again from all the team at the MKM Stadium, we look forward to welcoming you and your guests.

USEFUL INFORMATION

NAKED FLAMES

Please be aware due to Health & Safety legislation naked flames such as candles & sparklers are not permitted inside the Stadium, except for decorative purposes only.

EVENING ENTERTAINMENT

We are happy to suggest names of DJ's that the Stadium have used in the past or please feel free to use your own. There is no additional charge for the use of our stage or dance floor. We recommend that entertainers contact us prior to the event to take a look at the suite you will be using and then at this time they must provide us with their Public Liability and PAT test certificate. Set up times for acts and DJ's should be discussed in advance to allow us to accommodate their wishes into our operational setup for the day.

BAR FACILITIES

The bar is available until 12.30am; we ask that the guests vacate the suite by 1.00am. Any extensions to these times can be discussed with the General Manager and will be at their discretion.

MOOD LIGHTING

A twist for those guests choosing the Circle Suite, you can light up the Stadium inside for the evening using our fabulous neon lights. Please ask your wedding co-ordinator for a cost for your special day (subject to daylight hours).

HOTEL ACCOMMODATION

We work alongside many other hotels within Hull and we are very pleased to offer Hotel accommodation through various hotels within the Hull area. They start from as little as £85.00 B&B per room, so if you require allocations then make sure you speak to your wedding coordinator as soon as you book so that we can negotiate the best rate for you.

INSURANCE

Whilst no-one wants to think about things going wrong with any part of your special day, sometimes things can. Equally with an alternative venue like the MKM Stadium, we do strongly advise that couples take out a reputable insurance package for their wedding day.
