TESTIMONIALS

THE W CLUB

"Just wanted to say a huge thank you for Saturday – fabulous match and genuinely one of the best experiences I've ever attended.

I am lucky enough to go to some great events, but genuinely the W club is different level in terms of access and service – lovely staff on the day and Sonic / Sonia very engaging to talk to. Seats are very comfy!"

THE PARK

"The Park provides me with guaranteed seats on the halfway line, great views of the players entering and departing with a vibrant rugby club atmosphere with real fans.

A free bar till the end of the match and good honest down to earth grub.

You feel a part of the Sarries family here."

EXECUTIVE BOXES

"Having been Season Ticket Holders for several years, we decided to upgrade our experience and take a hospitality box for a game so that we could take the whole family to a match.

The box was fantastic, great view, great food and superb staff and this really made our day special.

Now our granddaughter wants to go to every match, as long as it's in a box!"

TESTIMONIALS

THE HUNDRED CLUB

"I have been a member of the 100 club since its formation and three generations of my family enjoy its excellent hospitality adding to the whole joy of the saracens game day.

The friendliness of the team and the chance to meet the players makes it a special experience for young and old."

THE TULIP CLUB

"I just wanted to say that I really enjoyed hospitality in The Tulip Club on Saturday. The welcome and service was excellent, Sonic was a superb host, the staff all friendly and efficient. The talks by McKinley and Alex were both interesting and entertaining, and having the players from both teams, but especially Saracens of course, to chat afterwards was great.

I haven't forgotten the food, both the roast and the vegetarian wellington, all of it was top notch!"

THE DUEL

"We really enjoyed our day. The Tulip Club staff made us feel very welcome and our waitress went out of her way to help my gluten free partner.

After a difficult first half the match turned our way, even if we were hanging on towards the end.

After the match I managed to have a chat with Poppy Cleal and Ellie Kildunne: made my day."

TESTIMONIALS

THE SHOWDOWN

"What a great day it was on Saturday! Sincere congratulations to everyone involved in making it happen.

Obviously, the boys' performance and the result always make a huge difference to how most Sarries fans feel post-match but the hospitality/seating arrangement at a first-class stadium would be enjoyable either way."

PLAYER SPONSORSHIP

"We've sponsored players from the Men's team for many years, and players from the Women's team for the last three years – we love it and will definitely continue as sponsors. Firstly, there is the buzz when you hear your name over the tannoy when your player scores a try, but even better is the sense of connection you build with the players you sponsor when you meet them at sponsor events and then more generally after games. I can't recommend sponsorship more highly – it is a great way to make even deeper memories with Saracens!"

STONEX STADIUM EVENTS

"Just wanted to say a massive thank-you to you and your team especially the servers and the kitchen – the food was amazing (especially the brownie)!"

Every member of staff we met at the site, from the security team, to the reception staff etc were so helpful and lovely.

We have been flooded with compliments about such a great venue."
